

SANTA FE Hybrid

Your greatest escape.

Introducing the strikingly bold and effortlessly stylish all-new Hyundai SANTA FE Hybrid. From its sculpted design to its cutting-edge innovations and luxurious interior, this spacious all-wheel drive SUV sets a new standard in hybrid performance. With every comfort, convenience and detail accounted for, the SANTA FE Hybrid is designed to capture, not only, your attention but your spirit of adventure too.

H-shape LED headlamps

An exterior to explore.

With dynamic lines and striking form, the all-new Hyundai SANTA FE Hybrid redefines bold design. The stylish roof rail speaks to versatility, while the sleek mud guards enhance its off-road credentials. Rear LED fog lamps not only enhance visibility; they bring a sharp, polished finish to this SUV's confident design.

20" alloy wheels

H-shape rear LED lamps

Daytime running lights & radiator grille chrome coating

Escape into luxury.

Step inside the all-new SANTA FE Hybrid and discover an interior of comfort and sophistication. The driver's seat remembers your preferences with a memory function and built-in lumbar support, while the front passenger seat adjusts effortlessly with power controls. Three-step heating in both rows and ventilated front seats add seasonal flexibility. With adjustable seat height and ergonomic design, the SANTA FE Hybrid delivers a smooth, luxurious ride tailored for every passenger and every adventure.

Ultimate protection. Ultimate peace of mind.

Designed to protect you and your loved ones at every turn, the all-new SANTA FE Hybrid's advanced safety innovations include 6 airbags, ISOFIX in the 2nd and 3rd rows, and power child lock. With an advanced 360-view monitor, your awareness and surrounding line of site are further enhanced, while the tyre pressure monitoring system adds to your peace of mind on the road. Safer parking is further supported with forward, side and reverse distance warnings.

Comfort conscious.

The all-new SANTA FE Hybrid comes with a range of advanced convenience technology. Smart cruise control and heated steering wheel, with audio and Bluetooth voice controls, make driving effortless. Rain-sensing wipers automatically adjust to changing weather conditions, while both front and rear passengers enjoy personalised comfort with dual-zone air conditioning. Finishing touches like customisable ambient mood lighting and rear window curtains provide ambience, privacy and protection on every adventure.
